

## Rathaus Vinarium Most Atmospheric and Best Wine & Spirits Bar 2020 Southern – Styria

In the middle of the main square of Leibnitz stands Bar Rathaus Vinarium and you are invited to linger here and soak up its great and cosy atmosphere. Owner, Gerhard Uhl, tells us more about what makes this venue so unique following it being awarded Most Atmospheric and Best Wine & Spirits Bar 2020 Southern – Styria.

The Bar Rathaus Vinarium, located on the main square Leibnitz, has its home in the historical, vaulted cellar of the town hall. It presents itself as a fine wine, rum, gin, vodka, absinthe and whisky bar. Enjoy and chill in a unique atmosphere through the historic vault. The selection of high-quality wines, more than 25 different gin varieties, over 30 top whiskies, more than 20 different, high-quality rums is remarkable. The Vinarium has always been known for its great offer from many top winemakers, especially in Sauvignon Blanc.

Enjoy selected wines and sparkling wines from regional vineyards and many more. Excellent service, harmonious music and a high flirt factor make the bar one of the most popular hot spots in Leibnitz and whole Styria. The owner Gerhard Uhl and his staff offer premium spirits and give every guest a warm welcome and perfect service.

“We enjoy our guests, who appreciate the high quality of our products and our good service,” Gerhard explains. “Our guests prefer top quality on a fair price level. This is why, several times a year, we visit fairs for spirits and wine and we study literature (from Falstaff, Parker, A la Carte, Gault Millau). We taste the wines with the wine growers at their vineyard when they come on the market with their products. We try always to offer our customers the best products on the market, followed by good advice and service of selected products. That makes our guests happy.”

To ensure continued customer satisfaction, Gerhard and the team, who have specialised in spirits since 2015, will offer guests free tastings of the products along with

consultations, so that customers come to know and appreciate what it is they are getting.

“We run the bar with four persons of staff,” he informs us. “They will be trained and motivated several times a year and we believe we are a very good team. Our bar in the historic vaulted cellar is matchless, the bar is located in a listed building and so the atmosphere is unique. We won’t change much here, but we will always work on trends, on our product-list and on the perfect service.”

Among others you get served with rum from Zacapa, Tres Hombres, Diplomatico, A.H. Riise, Quorhum, Plantation, Flor de Cana, Ron the Jeremy, La Mauny, Plantation, Pussers, Don Papa and Gin like Monkey 47, Mare, Aejst, Drumshanbo, Amuerte, Stin, Hendrick’s, Plymouth, Opihr, Bombay Sapphire, Sipsmith, Windspiel, Copperhead, Janzu, F.Saar and Whisky from Lagavulin, Oban, Aberlour, Bowmore, Glen Garioch, Dalwhinnie, Glenlivet, Talisker, Longmorn, Auchentoshan, Laphroaig, Balvenie, Maker’s, Buffalo Trace, Wild Turkey, Elijah Craig, Evan Williams, Woodford, Booker’s, Redbreast, Green Spot, Bushmills, Teeling, Jameson, Hakushu; Vodka from Belvedere, Grey Goose, Nemiroff Lex, Imperia, Beluga and Crystal Head - a pure drinking pleasure!
